TAC TRANSPORT ACCIDENT COMMISSION

THE UNIVERSITY OF QUEENSLAND AUSTRALIA
CREATE CHANGE

axis

Research Trial: Early multi-disciplinary care to reduce chronicity of transport accident injuries.

ELIGIBILITY:

- ✓ TAC Claim for a whiplash injury to neck
- ✓ Aged 18-65 years
- ✓ Less than 3 months since accident

WHAT'S INVOLVED?

- Voluntary participation
- Confidential - no names/identifiers uses
- 2x 15 minute surveys
- 60 minute focus group

WHY PARTICIPATE?

- You have sustained a neck pain injury as a result of a road traffic crash & consulting a physiotherapist about this injury.
- You have been identified by your physiotherapist as a suitable candidate.
- You will receive a personalised treatment pathway with AHPRA-Registered clinicians via telehealth, whilst continuing with your physiotherapist as required.
- Advice & treatment including exercise program.
- Knowledge gained from your participation may benefit others in the future.

Scan this QR code to register your interest to participate.
